

13,977 Babies!

That's the record at Craig's Gallery for the past ten years.

What do you think of that for experience in making baby pictures? It requires peculiar talents to deal successfully with such an army of little folks, and it is the pleased parents of this host who have given Craig the title of

The Baby Charmer.

Bring the little ones to Craig, he loves them all, and they know it.

A Shocking Sight.

Special to the Leader.
Milwaukee, Wis., Sept. 21.—Thomas Bosford, a travelling man from Indianapolis, who, however, registered at a local hotel as from New York, went to a house of a stranger on the outskirts of the city, slashed his throat, and held his hat under the gaping wound "that he might not make trouble for the owner of the house."

When found he was smoking a cigar, and his strength was so far gone that the hatful of blood was about to tip from his lap to the floor. He had spent a night of agony at the Davidson Hotel, it is said, and in the morning took a street car from the downtown district to the home of Emil H. Hobus, who lives at the extremity of the line, finding no one at home, Bosford went into the house, locked the door and drew a razor across his throat. Tonight he is still alive but delirium has set in, which in his weakened condition will undoubtedly cause death.

Special to the Leader.

Akron, O., Sept. 21.—Passengers on the B. & O. train due here at 8 p. m. last night did not reach Akron until nearly 2 this morning. They tell of a strange incident. Repeated requests were made of the conductor to stop the train five minutes at 2:30 o'clock in respect to the dead President, but he said he had no orders to do so and refused. At 2:37 the train ran into a freight, causing a delay of six hours.
